

Easy Crochet Shawl Pattern

This beginner shawl pattern was found on FaveCrafts.com. It's a simple rectangle that uses double crochet and chain stitches. This pattern was written for a super bulky yarn, 79% acrylic and 21% polyester. Other bulky yarns can be substituted OR be brave and use other weights. In any case, you should crochet a gauge swatch and do a little math. The finished size is what's important.

- Crochet Hook** J-10 or 6 mm hook (if you're using a chunky yarn)
- Yarn Weight** Bulky/Chunky (12-15 stitches for 4 inches), or other depending on weight
- Crochet Gauge** Double Crochet (dc), Chain 1 (ch 1), dc = 1", 3 rows = 2½"
- Finished Size** Approximately 24" x 60" not including fringe
- Materials List** The pattern was originally written for Caron Cozi (company defunct). You'll need about 360 yds
- Size J crochet hook or size to reach gauge below. Keep in mind that if you use a lighter weight yarn you'll need to adjust your hook size.
