Recommendations from various groups:

- Use both video and books to study one subject! They do complement each other
- Presbyterian Women have access to the study from a magazine called ***Horizons.*** It has all you need with reading and discussion questions.
- Check the First Presbyterian Library in the Fireside Room. It is a great place to start for Bible Study ideas.
- Enjoy your group, have a prayer time, encourage each other, sing a hymn, speak up, and enjoy.
